

## **Lithuanian bioenergy mission to Sweden (6-7 April 2017)**

Organizer: World Bioenergy Association and Lithuania Biomass Energy Association

Aim: Learn more about the short rotation forestry in practice and state of the art of bioenergy utilization and use for heat & power and transport sector. Open for possible collaboration with Swedish institutions and companies visited.

### 6 April 2017

**11:00 – 13:40:** Bioenergy development and brief description about Short rotation forestry (Svebio) and Ash management in Sweden, (Energiaskor AB)

**12:15-13:00** Lunch

**13:00-13.40** Presentation of Fortum new biomass plant in Stockholm, 130 MW el, 280 MW heat (Fortum)

**14:00** Travel from Stockholm to Enköping

**15:00** Study-Visit at Nynäs Gård, Salix plantation (Changed to VA Verket)

**16:15** Study-Visit at Ena Kraft in Enköping, CHP

### 7 April 2017

**09:00 – 11:00** Development of Short Rotation Forestry, SLU Uppsala and Introduction and special studies in poplar and Salix & field excursion, Department of Crop Production Ecology, SLU Uppsala

**11:00** Lunch at SLU Campus, Uppsala and End of Study visit

### List of delegates

Scientific and Technical Council was founded in 2014 and now is comprised of 15 scientists:

1. Assoc. Prof. Kestutis Buinevicius (Kaunas University of Technology). *Chairman of the Scientific and Technical Council*
2. Dr. Vita Tilvikiene (Scientific secretary at Lithuanian Research Centre for Agriculture and Forestry);
3. Dr. Marius Aleinikovas (Director at Institute of Forestry in Lithuanian Research Centre for Agriculture and Forestry);
4. Laimonas Narbutas (“Axis technologies”);
5. Dr. Egidijus Zvicevicius (Aleksandras Stulginskis University, Department of Heat and Biotechnological Engineering);
6. Assoc. Prof. Egidijus Puida (Head of Department of Thermal and Nuclear Energy at Kaunas University of Technology);
7. Marynas Nagevicius (President at Lithuanian confederation of renewable resources);
8. Dr. Vytautas Sioziny (Director at JSC “Energy Advice”).
9. Ms Vilma Gaubyte, (Lithuanian Biomass Energy Association LITBIOMA)
10. Mr Virginijus Ramanauskas (Lithuanian Biomass Energy Association LITBIOMA)
11. Mr Remigijus Lapinskas (World Bioenergy Association WBA)
12. Ms Egle Tauraitė (Lithuanian Biomass Energy Association LITBIOMA)
