

A few words on

BIOENERGY INTERNATIONAL

2001-2023

A subscription-based English language bioenergy
trade publication & media platform
focused on biomass-to-energy “value systems”

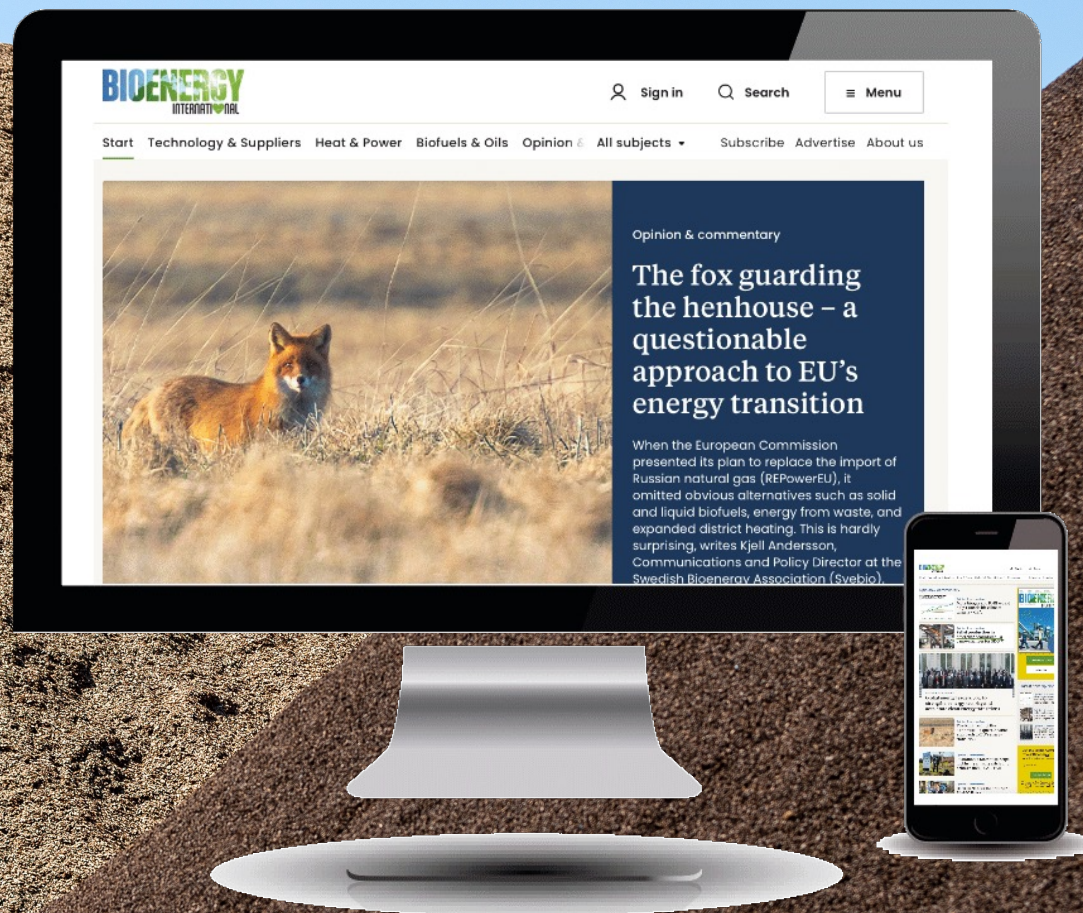

BIOENERGY INTERNATIONAL

- We (Jeanette, Dorota & Alan) operate as an independent entity within the Swedish Bioenergy Association (Svebio) since 2011
- Using the power of example, our purpose is to advocate & promote the benefits of “bioenergy done right”, and its role as an integral part of the circular “glocal” bioeconomy
