

World Bioenergy Association

– the GLOBAL VOICE OF BIOENERGY

Mission:

To promote the use of sustainable bioenergy globally & support the business environment for bioenergy.

Together with our members

- We work for an increased use of biomass in the global energy system in the markets for heat, electricity and mobility
- We follow the principles of sustainable, efficient and economic biomass development
- We influence and inform the public opinion in favor of sustainable biomass solutions worldwide and in individual countries
- We promote bioenergy as an important player in the global climate mitigation policy
- We cooperate with global institutions such as UNEP, UNFCCC, IPCC, IEA, IEA Bioenergy, IRENA, REN Alliance, FAO, REN 21 etc. towards the target of 100% Renewable

How we work

- **Office** in Stockholm, Sweden
- **Our board:** 19 members from 5 continents
- **Our members:** Companies, research institutes, associations, individuals from all over the world
- **Main areas:** Biomass potential, sustainability of biomass, pellets, small scale heat with biomass, combined heat and power, conventional & advanced biofuels, biogas, carbon neutrality of biomass, bioenergy statistics, biomass trade, bioenergy policy, traditional biomass
- **Main activities:** Fact sheets, statistics, position papers, policy reports, workshops, equipment directory press-releases, networking, presentations in conferences & exhibitions

What kind of membership is possible

Full members

Associations on regional, national or international level, (fee between 300 and 5 000 Euro annually, depending on situation and size)

Associated members

Companies, energy agencies, research institutes, consultants working in the field of bioenergy (fee between 300 and 5 000 Euro annually, depending on situation and size)

Individual members

Individuals, interested in the global development of bioenergy as sustainable and renewable energy source (fee 50 Euro annually)

Benefits of WBA membership

- Strengthen of the voice in favor of biomass on a global scale
- Exchange of information and experience between the bioenergy sector worldwide
- Possible cooperation in working groups and projects
- Access to new global studies and information about bioenergy

We invite you: join WBA!

For more: see next page!

Membership fees

The fees depend on the size and specific situation of a member and vary between 300 and 5 000 Euro per year. Individuals pay 50 Euro.

Form of membership	Characteristics of the member working in the area of bioenergy	€/year
Full members	Large international associations	5 000
	Medium international associations / Large national associations	3 000
	Small national associations	1 200
	Associations at the beginning of their work	300
	Associated members	Large global companies
	Medium companies	3 000
	Energy agencies, research institutes, think tanks in general	2 000
	Small companies	1 200
	Energy agencies, research institutes, think tanks, startups, companies at the beginning of their work	300
Individual members	Individual persons	50

* The membership is recurring annually.

Fill in the application form online at www.worldbioenergy.org/join-us, or fill in this form:

APPLICATION FORM

- I would like to sign up as a **Full Member** of the World Bioenergy Association
I suggest the following fee: _____ €/year
- I would like to sign up as an **Associated Member** of the World Bioenergy Association
I suggest the following fee: _____ €/year
- I would like to sign up as an **Individual Member** of the World Bioenergy Association
50 €/year

Applications for membership shall be submitted to the Board. The Board reserves the right to admit or refuse an application for membership. In case of a refused application, the applicant may apply to the General Assembly for a reversal of the decision.
